Caro United Methodist Church Records, 1905-2012

History Note:

Although Methodists began meeting in what is now Caro in 1855, the construction of the First Methodist Episcopal Church in 1870 marks the first permanent structure. In more recent times, it merged with what was originally the Sherman Street Methodist Protestant Church (1941) and the Caro and Fairgrove Evangelical churches (1971).

Scope Note:

In addition to a History File on the church, the collection contains records of women's societies, including the Woman's Foreign Missionary Society, Woman's Society of Christian Service, and United Methodist Women.

Extent:

1.2 linear feet (ca. 2,400 pages)

Access Restrictions:

The collection is open to research.

Restrictions on Use:

Photocopying is handled by the staff and may be limited in certain instances. Before using any material for publication from this collection a formal request for permission to publish is expected and required.
