Lincoln Park First United Methodist Church

Records, 1925-2013

History Note:

Growing out of the mission church schools that had been organized a few years previously, Lincoln Park First Methodist Episcopal Church came into existence in 1922. A frame church was completed that same year. Rapid growth led to the construction of a new building in 1925. Over the years, the congregation added on to that structure and built an educational unit. The church closed as part of a merger of several churches in 2013 that created Downriver United Methodist Church.

Scope Note:

In addition to a History File on the church, the collection contains meeting minutes, directories, bulletins, financial reports, legal documents, newsletters, photographs, and membership materials.

Extent:

12.6 linear feet (ca. 25,200 pages)

Access Restrictions:

The collection is open to research.

Restrictions on Use:

Photocopying is handled by the staff and may be limited in certain instances. Before using any material for publication from this collection a formal request for permission to publish is expected and required.
