## Milan Marble Memorial United Methodist Church Records, 1863-2008

### History Note:

Methodism in Milan began sometime around 1838 to 1840. In the early years, the Methodists met in local homes and were served by circuit riders. In 1866, a Union Church serving all faiths was built. The Methodists did not have a separate home until a bequest from Mrs. Hannah Wilcox Marble provided funds for construction of a church building. That construction began in 1888 and the church was dedicated in 1889. The church completed major expansions in 1955 and 1965.

### Scope Note:

In addition to a History File on the church, the collection contains meeting minutes, church conference reports, treasurer's reports, bulletins, a transcript of marriage records, newsletters, and Sunday School records.

### Extent:

6.8 linear feet (ca. 13,600 pages)

### Access Restrictions:

The collection is open to research.

### Restrictions on Use:

Photocopying is handled by the staff and may be limited in certain instances. Before using any material for publication from this collection a formal request for permission to publish is expected and required.
