Wyandotte Glenwood United Methodist Church Records, 1932-2015

History Note:

During the summer of 1930, the First United Methodist Church of Wyandotte saw a need for religious services to serve the people living across the tracks on Wyandotte's west side. The Four Square Class took on the project of creating a Sunday School in the needed area. A decade later a group of First Church members who were active in the Glenwood Community Sunday School took the lead in organizing the Glenwood Community Methodist Church. After meeting in temporary facilities for years, the first Sanctuary was completed in 1949. The church continued its work until merging with First Church in 2015.

Scope Note:

In addition to a History File on the church, the collection contains a fairly complete set of minutes of the Official Board, Administrative Board, Church Council, and Trustees; some records of the Sunday School that led to the organization of the church, and files on church committees and projects.

Extent:

22.9 linear feet (ca. 45,800 pages)

Access Restrictions:

The collection is open to research.

Restrictions on Use:

Photocopying is handled by the staff and may be limited in certain instances. Before using any material for publication from this collection a formal request for permission to publish is expected and required.
